

FLEISCHHACKER

## Export Specialist (m/f/d)

For our HQ Schwerte we are looking for an Export Specialist (m/f/d).

Fleischhacker GmbH & Co. KG with headquarters in Schwerte is a trading company for medical and laboratory technology with many years of experience in the international aid business (NGOs). In Germany, the company mainly supplies hospitals, general practitioners, rescue services and companies. Since 2007, Fleischhacker has also been involved in the production and sale of MediConnect® software, a comprehensive solution for managing all clinical processes in hospitals and doctors' practices. Our strength is the competence of our employees.

### Your tasks:

- You take care of the concerns of our international customers and answer their inquiries.
- With our NEO software, you will prepare persuasive offers.
- After successful order acquisition, you will process the order with on-time delivery. This includes, among other things, freight cost calculation and control as well as customs clearance.
- Ensuring a seamless process, you will enter and maintain customer and item master data.
- You participate in a wide variety of projects and tenders.

### Ihr Profil:

- Successfully completed commercial education
- First professional experience in export business
- Good knowledge of Microsoft Office
- Ideally good language skills in German and English
- Communication skills, combined with commitment and flexibility
- Team spirit and reliability

### Wir bieten:

- Flexible working hours with flextime and home office
- Company pension scheme
- Company training opportunities
- Free drinks
- Free parking
- Employee discount
- Language skills will be provided

We look forward to receiving your application documents, which you are welcome to send by e-mail (preferably in a pdf file) to [karriere@fleischhacker.biz](mailto:karriere@fleischhacker.biz). Do you have any questions? Then you can also reach us by mobile phone at +49 (0) 170 4525350 (also via WhatsApp).
